

High Holy Day Participation Form

One of the aspects of services at the High Holy Days that enriches the experience for all of us is our tradition of including as many members as possible in our worship services.

Participation can take many forms: opening the ark, reading a part in English, reading a part in Hebrew, lifting, carrying or dressing the Torah.

We also need volunteers to welcome congregants, pass out books and help late comers find seats. Your hands are also needed to help raise the congregational sukkah.

If you are interested in participating, please complete the form below and return it to the Beth Torah office by **September 19th**. Please indicate if you are attending early or late services.
